Camberley High Street consultation

Email from Cllr Rodney Bates

Dear All

Surrey Heath Borough Council are currently considering the long term plans of Camberley High Street and have set up a working group of Cllrs to consider this. I am one of the Cllrs on the group and have been asked to contact disability groups for comment.

We are interested to know what people like or dislike about Camberley High Street and this can be about any subject not just accessibility such as what improvements could we make. However, we would welcome your views and advice on particular practical issues that we need to consider when thinking about a High Street for everyone.

Please can you email back any comments by Friday 24th March so that I can pass on to my Cllr colleagues for consideration. If you have any queries, please feel free to contact me via this email address.

Best wishes

Cllr Rodney Bates

CLIENT THANK YOU

Dear Joan,

Thank you for inviting me to the very lovely tea party held in Sunningdale. It was wonderful and please forward my thanks to everyone who helped that afternoon. I was so grateful for the lovely present, evening bag, which will be very well used. I realise how much effort goes into the preparation beforehand.

It was fun and being old does not seem so bad at all.

Love to all
Jill Reid

HAPPY BIRTHDAY
